SCRAMBLING & LEG ATTACK DEFENSE

SUFFIELD, CONNECTICUT
Suffield Middle School

OCTOBER 17–18, 2026

$150 MEMBERS | **$175** NON-MEMBERS

Leg attack defense has become a system, not a reflex. The CMP Scramble system does not replace the defense you already have — it extends it, taking positions that look like uncontrolled rolling and organizing them into technique you can name, drill and score from.

- The high level scramble positions, named and categorized
- Closing the gap between your defense and modern scrambling
- Counters that turn a defensive scramble into points
- Live reps in the positions where most wrestlers panic
