NATIONAL TEAM PROPOSAL '26|'27

PREPARED FOR

ALABAMA USA WRESTLING

Exclusive gear & apparel partnership — duals season through Fargo

WHO WE ARE

Compound Sportswear is a full-service apparel company specializing in the design, development, production, and distribution of branded, licensed, team, and private-label apparel.

Founded in 2011 by Cliff and Stephanie Fretwell during the Save Olympic Wrestling campaign, Compound was built for one reason: to give wrestlers high-quality, great-looking uniforms at a fair value. Wrestling is not a side category for us — it is where we come from.

Today we operate as a complete production house — custom cut-and-sew sublimation, screen printing, digital printing, and embroidery — run with the same commitment to quality, innovation, and service as day one.

OUR MISSION

Design and manufacture custom teamwear that is both stylish and high-performing — apparel that supports athletes in training and in competition. Through proven processes and personal service, every customer feels supported and every product delivers beyond expectations.

OUR VISION

To be the trusted leader in custom apparel — recognized for unmatched quality and value, and for setting the standard in efficiency, service, and community across the sport.

COMPOUND SPORTSWEAR

TRUSTED BY THE SPORT

Compound is a **current provider for multiple USA Wrestling state associations** — designing, producing, and delivering national-team gear on the same calendar Alabama runs: state series, National Duals, and Fargo.

BEYOND THE MAT

- **Licensed NCAA apparel** designed and distributed for major universities.
- **Hundreds of high schools, clubs, national teams, and major events** outfitted nationwide for over a decade.
- **Super 32 finalist singlets and all-star event kits** — some of the most recognizable gear in wrestling.

THE GAME PLAN — CHANNELS & DELIVERY

National-team gear has one hard rule: **every athlete outfitted before the team leaves.** We run three proven sales channels and help the association pick the right mix per event — with the goal of keeping Alabama USA inventory at zero.

TEAM STORE DROP-SHIP

RECOMMENDED DEFAULT

A fully managed online store per team. Families order and pay directly; gear ships straight to each athlete's door. No collecting money, no sorting boxes, no association inventory — and no charge to Alabama USA for the store.

BULK TO THE ASSOCIATION

One production run, one shipment. Best for uniform pieces the team must have identical and on hand — competition singlets for a travel roster. Kits arrive packed by athlete size and weight class, ready to hand out.

HYBRID PROGRAM

Bulk-ship the singlets to the association so competition gear is guaranteed, while the store handles everything else direct to families. The mix most national-team RFPs land on — and the one we will map to your event calendar.

BULK ORDERS		**25–30 days** — 28-day delivery standard
TEAM STORE ORDERS		**35–40 days** — from store close to doorstep

STANDING COMMITMENTS — EVERY CHANNEL

- ☑ **Kits packed by size & weight class** on bulk shipments, at no additional charge.
- ☑ **Expedited freight on us** if a deadline is at risk and the delay was not caused by Alabama USA.
- ☑ **Flexible payment on bulk** — 50% to secure production, 50% on delivery.
- ☑ **All orders ship FedEx** — tracked, dependable, every time.
- ☑ **Supplemental size runs stocked free** — late roster adds and replacements without delay.
- ☑ **Sales-quantity reporting** by item and channel, provided to the association.

THE DESIGN STUDIO

IN-HOUSE TEAM

Decades of combined custom-apparel experience, all under our roof. A **dedicated design manager** owns the Alabama USA account from first concept to final production file.

24–48 HOUR TURNAROUND

Design requests and revisions come back in **24–48 hours**. Multiple concepts, multiple revision rounds — we work until the room says yes, without dragging the calendar.

STREAMLINED APPROVALS

Automated approval workflows and battle-tested SOPs keep every stakeholder in the loop and make sign-off **fast, documented, and stress-free**.

YOUR ART, YOUR FILES

Final graphics are delivered to the association **in vector format, free of charge**. Samples and draft designs provided free whenever reasonable.

TURNKEY TEAM STORES

WE RUN IT. YOU COACH.

Store design, launch, order processing, production, and fulfillment — **handled entirely by our in-house team**, with automated store notifications at every step. Direct-to-door shipping takes coaches and administrators out of the apparel business.

BUILT FOR WRESTLING FAMILIES

Name customization on singlets, women's-cut singlets, and a full youth-through-adult size range on every item — with accurate sizing charts measured by weight range, so a 106-pounder and a heavyweight both order right the first time.

OPEN ALL YEAR

Beyond event stores, a **year-round print-on-demand shop** keeps Alabama USA gear available to athletes, parents, coaches, and fans every day of the season.

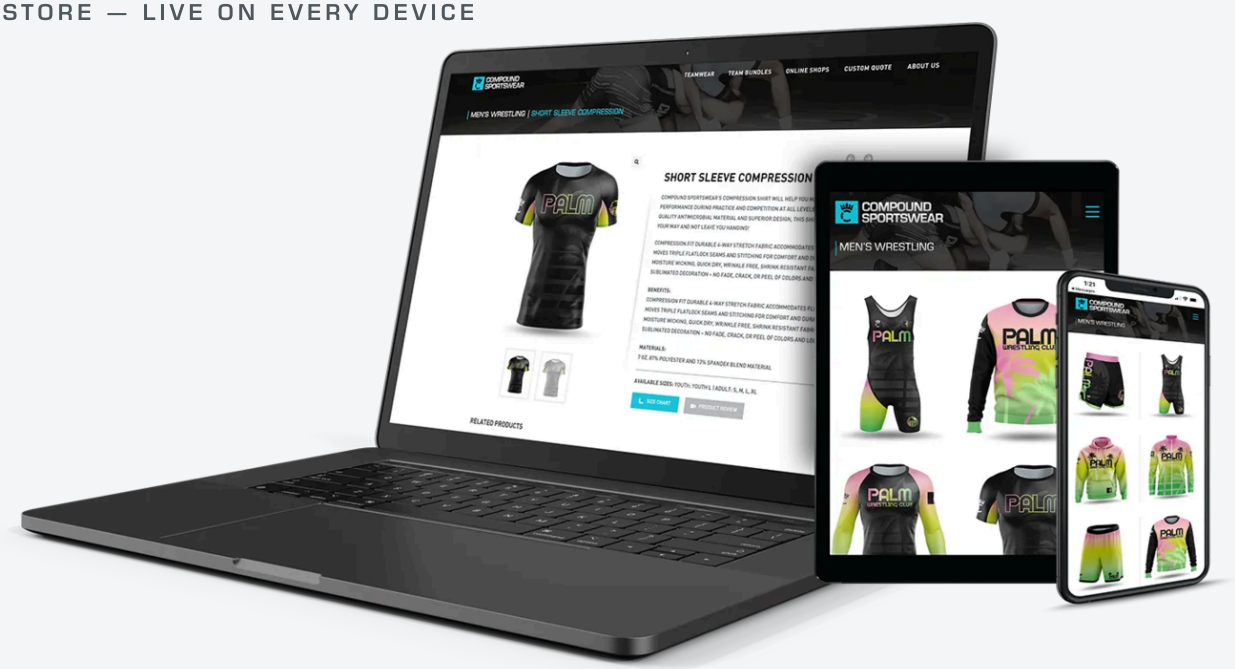

FUNDRAISING POTENTIAL — %
